

Annual Turkey Express for SAFD & SAPD

This past November Generations employees participated in our annual Turkey Express by providing our hard-working fire and police departments with Thanksgiving turkeys. We appreciate the San Antonio Fire and Police Departments for protecting and serving our community even when it means sacrificing holidays with their families.

This year marked the sixth consecutive year we've been able to host this event. Employees took to the road November 14 and November 21 to ensure every SAFD fire station and SAPD substation in the city received a turkey.

One of her many accomplishments was establishing a goal to develop the Norman Benson Memorial Scholarship Program, an effort to provide small credit union Board Officers an opportunity to participate in high level leadership training.

So far, she has exceeded her initial goal of \$10,000 by an additional \$14,000. Congratulations Rose!
