

## Wire Instructions

---

With Generations, members can make fast and secure payments with a wire transfer. Below are instructions to process an outgoing wire transfer and receive an incoming wire. There are separate instructions for Domestic and International Wires. The information listed is required and must be provided.

---

### Outgoing Domestic (Within the U.S.) Wire Instructions

#### Recipient Information

- Full Name of Recipient
- Street Address (not a P.O. Box)
- City, State, Zip Code
- Account Number
- Full Name of Financial Institution
- ABA Routing/Transit Number

If the receiving financial institution has specific routing instructions, the instructions must be included. Check with the recipient before submitting a wire request.

---

### Outgoing International Wire Instructions

#### Recipient Information

- Full Name of Recipient
- Street Address
- City, State, Zip Code, Country
- IBAN or Account Number
- Full Name of Financial Institution
- Swift Code
- Purpose for sending the wire (wire cannot be processed with a specified purpose)

## Wire Instructions

---

If the receiving financial institution has specific routing instructions, the instructions must be included. Check with the recipient before submitting a wire request

Wires are sent in US Currency only

---
