GENERATIONS FEDERAL CREDIT UNION

Letter from the President

As we move through another exciting year at Generations, I want to take a moment to thank you for your continued support. Your loyalty is the foundation of our success, and it allows us to continue investing in products, services, and community initiatives that make a meaningful difference.

One important update this quarter is the closure of our Northwest Branch located at 6000 Northwest Loop 410 in San Antonio. This branch will permanently close at the end of business on July 17, 2026, as a result of our lease ending at that location.

Please review the Notice of our Debit Card Rewards program in this newsletter.

Our team proudly participated in the San Antonio Sports Corporate Cup, where we earned first place in the Tailgate Competition and Overall Division 4 Champions. Even more meaningful was our first place finish in the Charity Challenge, a reflection of the generous spirit that defines Generations FCU. Thank you to our employees, members, and community partners who helped make this achievement possible.

We are also encouraged by the early success of our new First-Time Auto Buyer program that was launched on April 15. Designed to help individuals take the next step toward vehicle ownership, the program has already generated strong interest.

Through the GFCUCares Foundation and employee payroll deduction program, we are proud to support organizations that strengthen our community. We had the privilege of presenting donations to the Boys & Girls Club, Haven for Hope, San Antonio Sports, and the YMCA. Collectively these contributions totaled \$17,400 and will help these organizations continue their important work throughout our community.

Thank you for being a part of the Generations family. We remain committed to helping you achieve your financial goals while making a positive impact in the communities we serve. We look forward to continuing this journey together.

Rick Divina
President & CEO

Important Announcement: Northwest Branch Closure July 17, 2026

Generations FCU will close the Northwest Branch located at 6000 NW Loop 410, San Antonio, Texas 78238. The last day of branch operations for this location is Friday, July 17, 2026. The closure of this branch was prompted by the end of our lease at this location. The closure does not reflect the financial health of the credit union. Generations FCU maintains a strong capital ratio and continues to be a safe and fiscally sound organization.

Since the opening of this branch in 2001, we have three newer locations in the area, ensuring members can still easily conduct business nearby.

- **Balcones Heights Branch**, 4005 Fredericksburg Rd, Balcones Heights, TX 78201
- **Castle Hills Branch**, 1100 Northwest Loop 410 #101, Castle Hills, TX 78213
- **Potranco Branch**, 109 Empresario Dr, San Antonio, TX 78245

For in-person service, members may visit any of the three nearby locations listed above, as well as any of our additional locations. Members also have 24/7 access to:

- Digital Banking (Online Banking and the GFCU Mobile App)
- Co-Op ATM Network
- Co-Op Shared Branching Network (during regular business hours)
