GENERATIONS FEDERAL CREDIT UNION

Letter from the President

As we enter the final quarter of the year, the holiday season brings with it one of my favorite traditions at Generations FCU – the opportunity to give back. Serving our community has always been at the heart of who we are, and throughout the coming months, our employees will continue that commitment through several meaningful events and partnerships across San Antonio.

We began the season of giving in September with our Annual Month of Serving, when employees from across the credit union volunteered their time with three incredible community organizations: Haven for Hope, Meals on Wheels, and the San Antonio Food Bank. I am incredibly proud of our team for coming together once again to make a difference for our neighbors while strengthening the spirit of service that defines Generations FCU.

That momentum will continue this holiday season with our 14th Annual Turkey Express, a chance to show gratitude to our first responders by providing a Thanksgiving meal while they serve our community. Our team will also participate in the 28th Annual Meatball Roll benefitting the 100 Club of San Antonio, another longstanding tradition that gives our employees an opportunity to support an organization doing important work in our community.

As we move into the holiday season, we are also proud to once again partner with Blue Cares for its December Toy Drive, collecting new, unused toys to help bring a little extra joy to children and families throughout our community.

There are also opportunities for you, our members, to help shape the future of our credit union. Board of Directors nominations will be accepted October 1-30. If you are interested in volunteering your time and talents to serve Generations FCU and its membership, I encourage you to learn more and consider applying.

As 2026 begins to wind down, I want to thank you for your continued trust and membership. It is because of you that we are able to invest in our community, support organizations doing meaningful work, and continue building a stronger credit union for the future. On behalf of everyone at Generations, we wish you and your family a joyful holiday season and look forward to serving you in the year ahead.

October is Cybersecurity Awareness Month

This October, don't let fraudsters leave your finances saying "Nevermore." Scammers may lurk behind convincing emails, urgent texts and phone calls designed to trick you into revealing personal information.

During Cybersecurity Awareness Month, channel your inner Edgar Allan Poe: **Be suspicious. Be watchful. And think before you click.**

Never share passwords, PINs or verification codes, and when something feels mysterious-or just a little eerie-contact GFCU directly before taking action.
